One stop, three shots

At your next stop, tuck these three moments into your camera roll.

01 **The place**
Take a wide photo. Include the trailhead, station sign or shoreline.

02 **The movement**
Hold still for five seconds. Let a train or a wave move through the frame.

03 **The detail**
Get close to something you might forget: a ticket stub or dusty boots.

Join in if you like. Ask before filming people. Keep the originals on your phone.

Back on your phone

Add the videos and photos to Roamovie. Pick a movie length. The app chooses scenes on your phone and edits them into one travel movie. You can keep the result to yourself.
